Jim DeCristo – announcements

- plan for celebration of excellence and, our annual, end of the year event where we recognize our colleagues students, faculty and staff for great work and years of service, Daniels Plaza. Zoom if weather not cooperative.

- House Bill 243 - additional flexibility to address the COVID-19 pandemic.

Sharon Fogarty - Standing Ovation

- Nick Johnson
- Clarisse Davis

Brian Cole – Feedback tool

- This all started off with initiative to revise an old evaluation tool from the faculty council that had previously focused just on faculty giving feedback to deans and VCs. But, as I mentioned, I thought it was important to expand concept to involve the staff rather than move forward with a new version of old process which was just faculty.

12:00 Noon Council went into private session to discuss feedback tool and vote.
