- ___ **STUDENT CONNECTIONS:** Get involved with our wonderful students through one of the following options:
- Host Families: Local families or individuals provide a "home away from home" for students who would like to take a break from campus life. Get to know students personally and form lifelong friendships. *Host family applicants are subject to background checks undertaken by the School.*
 - Holiday Dinner: Some students are too far from home to return to their families during the Thanksgiving and Easter holidays. They remain in the dorms during these breaks and would love to share a holiday meal with a local family.
- ___ **HELPMATES:** We hope all Associates will become members of this committee. We have many opportunities to suit a wide range of interests and nearly any schedule. Please check to indicate interest and availability:
- Volunteer on a regular basis (office assistance, filing, greeting, etc.)
 - Volunteer on an "on call" or ad hoc basis (mailings, student events, baking for a reception, etc.)
 - Volunteer to help with a special event (transportation, housing guests, decorating, delivering brochures and posters, etc.)
 - Serve as a tour guide for groups interested in learning more about UNCSA, its campus, students and programs. Prior training required.
- ___ **THE UNCSA ASSOCIATES PRESENT:** The Associates host behind-the-scenes programs each year to give the public an insider's glimpse into the staging of UNCSA productions. Associates can use your help in promoting attendance and providing assistance at these events.
- ___ **HOSPITALITY:** This committee assists in planning and implementing two major social events each year for Associates members, as well as receptions accompanying other projects of The Associates, usually three yearly.
- ___ **MOVIE EXTRAS:** For Associates interested in the School of Filmmaking, there are two options:
- Location Shots: Offer your home to student filmmakers as a location or set for their movies.
 - Casting Calls: Act in a student film. You can be an extra or you could land a starring role in a student production!
