

CUKES – CAMPUS UPDATES FOR KEY EMERGENCIES SYSTEM

Sign up now for emergency communications regarding man-made or natural disasters. This is a secure method to receive text messages and emails in the event of a campus-wide emergency.

Register now at: <https://services.uncsa.edu>

Click on “Register” (on the left side) and follow the procedures.

Requirements and additional information regarding CUKES:

1. You must be a current UNCSA student, student’s next of kin, or an employee of UNCSA to participate.
 - a. Authentication is based on a combination of the student’s or employee’s birth date and the last 4 digits of their Social Security number.
 - b. If you attempt to register and cannot authenticate, report the error by using the “Contact Us” icon on the top right-hand side of the screen.
2. Your cell phone must have text message capabilities to receive announcements.
 - a. Some carriers and plans charge per text message.
 - b. Enter the full email addresses – example – username@domain.extension
3. If your cell phone carrier is not listed in the pull-down menu and you do not know your carrier’s text messaging domain.ext, contact Information Technologies by using the “Contact Us” icon on the top right-hand side of the screen.

ONLY YOU CAN REGISTER YOUR PERSONAL INFORMATION.
