Dear New and Returning Students,

The Office of Learning Support would like to welcome all students to UNCSA. The Office of Learning Support is responsible for all documentation review, accommodation certification and accommodation implementation for new and returning College and Graduate students. High School accommodation requests should be directed to Mr. Brock Snyder, the high school guidance counselor. If you are requesting accommodations, please read the following letter to familiarize yourself with the school's policies and procedures.

Those students who seek disability related accommodations should make contact with the Coordinator of Learning Support, Denise Lewis. Time will be made available during the orientation schedule to meet with Mrs. Lewis to get answers and to provide the necessary disability related documentation. Please note that the documentation required to determine eligibility for reasonable accommodations must be **no more than three (3) years old for learning disabilities and Attention Deficit/Hyperactivity Disorder (ADHD) diagnoses.** Documentation for psychiatric diagnoses (e.g., Mood disorders, Anxiety disorders, etc.) must be **renewed every 12 months.**

All documentation requirements and disability forms are located at the following web address: <http://faculty.uncsa.edu/ncsacounseling/disabilityhtml/disabilitym.html>

If the student requires updated testing, referrals to off-campus providers are available on the website. In addition, testing is available on-campus through the Department of Counseling and Testing Services at a discounted rate. Contact the Director of Counseling and Testing Services, Dr. Tom Murray, for details at [murrayt@uncsa.edu](mailto:murrayt@uncsa.edu) or 336.770.3277.

The Office of Learning Support looks forward to helping students transition to UNCSA. Please do not hesitate to contact the office with questions or concerns.
