Programs of Study

Bachelor of Fine Arts, Bachelor of Music, College Arts Diploma

The NCSA college division is accredited by the Southern Association of Colleges and Schools and is one of the 16 constituent campuses of the University of North Carolina system. The undergraduate curriculum includes majors in dance, design and production, drama, filmmaking, and music. Students in these majors may enroll in a program that leads to a bachelor's degree or a college Arts Diploma. In addition, applicants for the undergraduate division must submit official proof of high school graduation or a General Equivalency Diploma (GED).

Applicants applying to the bachelor's degree program must meet the North Carolina School of the Arts' academic requirements, as well as the Minimum Course Requirements (MCRs) of the University of North Carolina system.

All freshman and sophomore college students **MUST** reside in housing provided by the School and participate in the board plan for a minimum of two years. All college students are automatically assigned housing and the meal plan. A student who is married or living with a dependent, domiciled with family who live within a 40-mile radius of the campus at the time of their enrollment, classified as a college junior or college senior, or is a special student, may apply to live off campus.

The Housing Review Board will hear appeals from college students who are required to live on campus and may grant exemptions in cases of medical, psychological or other highly exceptional reasons. This board meets at the end of each term to hear appeals for the subsequent term.

Master of Fine Arts and Master of Music

The School of Design and Production and the School of Filmmaking offer a Master of Fine Arts degree, and the School of Music offers a Master of Music degree. Applicants must audition and/or interview or, where appropriate, present a portfolio of visual arts/design works for admission consideration. Applicants for the graduate division must show completion of an appropriate undergraduate degree.

High School Program

The Commission on Secondary Schools accredits the high school program. Students receive concentrated training in dance, drama, music or the visual arts while taking the traditional academic coursework to fulfill the high school diploma requirements of the state of North Carolina.

The dance and music programs may begin at grade 8, the visual arts program at grade 11, and the drama program at grade 12. The drama and visual arts programs are primarily open to North Carolina residents with limited space for out-of-state students. An audition/interview and, where appropriate, a review of the applicant's portfolio is required for admission.

A North Carolina School of the Arts Board of Trustees policy requires that all students, beginning at ninth grade, live on campus in the School's residence halls or with parents and/or legal guardians. On-campus housing is not available for eighth-grade students. Students accepted into the eighth-grade program must live at home and within a 40-mile radius of the campus.

High school transfer students are given full credit value for high school units satisfactorily earned in grades nine through 12 from an accredited secondary school.

Upon enrollment in the North Carolina School of the Arts, the transfer student, whether high school or college, is placed at the appropriate arts instruction level. The School makes every effort to place the student at the arts level that best reflects his or her proficiency at the time of admission. Upon placement, the student proceeds through the remaining sequence of arts courses, regardless of age or academic level. College students who complete all requirements in the arts area are eligible for the Arts Diploma.

Credit for academic courses in which the student has earned at least a "C" at another accredited college, and which are equivalent to specific NCSA General Studies courses, will be transferred to the NCSA record when the student has achieved at least a 2.000 average in General Studies courses for one term at NCSA.

Required academic courses in grades eight through 12 are the same as those in other accredited schools throughout the state of North Carolina. A high school diploma, Bachelor of Fine Arts or Bachelor of Music may be awarded upon completion of all arts and academic courses required for the specific program.
