

TO FIND YOUR CAPSTONE MEETING DAY AND TIME:

Locate the course's **regular** meeting day and time meeting pattern in non-black portion of the chart, then follow the chart up and to the left to find your **capstone session** as shown in black boxes. Standardized regular campus-wide meeting day and time patterns are shown in the white boxes, common arts course variations are shown in light grey boxes with black text. For courses that overlap or occupy more than one **regular** course meeting pattern, choose the capstone session most occupied by the regular course time. **Overload relief** capstone sessions are noted to provide alternative sessions in instances of schedule conflicts or more than three capstone events per day for students or faculty.
