See the following Interfolio Help Topics for more information:

External Reviews

Faculty applying for rank promotion must undergo evaluation by an external reviewer. By September 1, the candidate will upload the External Reviewer Nomination Form to Interfolio RPT as part of their Rank Promotion Packet. The dean will use this document to aid in the selection of external reviewers. Candidates and deans should reference Rank Promotion External Review Guidelines for Candidates & Deans and FAQs for External Reviews for more information including how to choose an external reviewer, how many reviewers are required, the procedure for soliciting external reviews and how external review letters are processed.

Initial Request for External Evaluations

Initial emails requesting external evaluation should be sent from your UNCSA email address. You must use the required template language from Request for External Review for Rank Promotion, in your email. Please retain these email requests until the evaluation process has concluded. Once you receive a positive response from an external reviewer, you will send a formal request through Interfolio RPT.

Requesting External Reviews in Interfolio RPT

After you receive a positive response from an External Reviewer, you will send the formal external evaluation request using the Instructions for Confirmed External Reviewers for Rank Promotion email template via Interfolio. The instructions include links to the External Reviewer Evaluation for Rank Promotion form, Guidelines for Reviewers of Rank Promotion Applications and Definitions & Sample Criteria for ESP Rank Promotion.

To request external reviews through Interfolio, see [Request an External Evaluation by Email or Add an External Evaluation](#).

Some Tips...

- **Deadline for External Evaluations:** Setting a deadline by which the external reviewer must submit the evaluation will create a hard deadline, meaning the external reviewer will not be able to submit an evaluation after the deadline date. You may wish to leave this blank and instead mention the deadline in the Instructions for Confirmed External Reviewers for Rank Promotion email.
- **Access:** Select “Administrators & Committee Managers”
- **Composing Your Message:** Use the required template language, Instructions for Confirmed External Reviewers for Rank Promotion, in the email sent to the external evaluator.
- **Attaching Files to the Request Email:** Click the “Add” button. Then click the “+” button next to the file you want to attach. Per external review policy, attach the following documents from the candidate’s Packet:
 - Application for Rank Promotion
 - Self-Evaluation Narrative
 - Engaged & Sustained Résumé
 - CV
 - Student Course Evaluations
 - Syllabi
 - Annual Evaluations

- Supplemental Support

Be careful not to attach files other than those listed above (such as the Peer Review Committee Roster, the External Reviewer Nomination form, or another party's evaluation). Only attach the files listed above.

External Reviewer Evaluations should be uploaded by the external reviewers to Interfolio RPT. Instructions are provided in the Instructions for Confirmed External Reviewers for Rank Promotion email that you sent them via Interfolio RPT. If an external reviewer submits the evaluation directly to the Office of the Dean, see [Request an External Evaluation by Email or Add an External Evaluation](#) for instructions to upload the evaluation to Interfolio RPT.

The Office of the Dean is responsible for following up on delinquent evaluations.

Edit or Resend an External Evaluation Request

If you need to edit or resend an external evaluation request, see [Edit & Resend an External Evaluation Request](#).

Peer Review Committee Evaluation

As described in the UNCSA Faculty Manual, Section 8.1. Regulations on Faculty Employment, the Peer Review Committee reviews the candidate's performance and makes a recommendation concerning rank promotion. The Peer Review Committee's written assessment and recommendation for rank promotion will be entered into the evaluation file and reviewed by the candidate according to the established schedule and procedures.

The Peer Review Committee will upload the Peer Review Committee Evaluation & Recommendation for Rank Promotion to Interfolio RPT by **October 28** for the dean's review.

The Peer Review Committee will provide a narrative evaluation that reflects the extent to which the candidate is achieving engaged and sustained work. This evaluation should include:

- The three areas of evaluative criteria: creative activity/research, service, and teaching. The committee should indicate its assessment of the faculty member in each area using the Guidelines for Reviewers of Rank Promotion Application and Definitions & Sample Criteria for ESP Rank Promotion for guidance.
- Peer Review Committee members' classroom observations (e.g. classroom, studio, lab)
- Student course evaluations for each year under review.
- Observations derived from syllabi and the teaching comments section of the annual evaluations.

The Committee will consider all materials contained in the candidate's Rank Promotion Packet.

Observations of Work

The Peer Review Committee must observe the candidate's work (teaching and related activities). Each committee member should observe the candidate a minimum of two classes. This may include classroom or studio visits, or any other appropriate means of direct observation. The visitor should be as unobtrusive as possible at all time

Dean's Evaluation

The dean reviews the candidate's performance and makes a recommendation concerning rank promotion. The dean will document their evaluation using the Dean's Evaluation for Rank Promotion and upload it to Interfolio RPT by published deadlines.

The evaluation should reflect the extent to which the candidate is achieving engaged and sustained work and should include:

- The three areas of evaluative criteria: engaged and sustained creative activity/research, engaged and sustained service, and engaged and sustained teaching. The dean should indicate their assessment of the faculty member in each area using the Guidelines for Reviewers of Rank Promotion Applications and Definitions & Sample Criteria for ESP Rank Promotion for guidance.
- The dean's instructional observations (e.g. classroom, studio, lab)
- Student course evaluations
- Observations derived from syllabi and the teaching comments section of the annual evaluations.

The dean will consider all materials contained in the candidate's Rank Promotion Packet

Observations of Work
