Endorser Information

By signing this request, you are agreeing to repay only the loan that is identified in Loan Request Information section of this form, if the borrower does not repay the loan. No additional loans may be made to the borrower with this request. As an endorser, you are not entitled to all of the same benefits as a Federal PLUS Loan borrower. For complete information regarding your rights and responsibilities as an endorser, please read the PLUS Loan Borrower Rights and Responsibilities Statement located at <https://ifap.ed.gov/dlbulletins/attachments/DLB0307D.doc>.

Endorser Agreement

Although I will not personally receive any loan proceeds, I promise to repay to the order of the lender the full amount of the loan described above and disbursed under the Master Promissory Note signed by the borrower (hereafter "MPN"), including unpaid principal, accrued interest, and other charges and fees if, upon demand by the lender, the borrower fails to repay the loan. If this debt is ever in default, I will pay reasonable collection costs, including, but not limited to, attorney's fees, court costs, and other fees.

I understand that the lender can use the same collection methods against me that can be used against the borrower, such as suing me, garnishing my wages, etc. I understand that if this debt is ever in default that fact will become part of my credit record.

Under penalty of perjury, I certify that the information contained in the Endorser Section on this application is true and accurate, and I am not the student on whose behalf the borrower is receiving the Federal PLUS Loan.

I UNDERSTAND THIS IS A FEDERAL LOAN THAT I MUST REPAY IF THE BORROWER DOES NOT.

Your signature below confirms that you are not in default on a prior federal education loan and authorizes UNCSA to perform a mandatory credit check required of An Endorser for the Parent PLUS loan.
