Application for FEDERAL DIRECT PLUS LOAN - Parent

The William D. Ford Federal Direct PLUS Loan Program allows parents to borrow Federal funds on behalf of a dependent child who is an undergraduate. This loan must be used for educational purposes, and parents should only borrow the amount necessary to satisfy the student's costs of attending school. The PLUS Loan amount cannot exceed the Financial Aid Budget minus the student's financial aid award. Parents should remember that these funds are a loan from the U.S. Department of Education, and **the loan must be repaid.**

The information requested on this form pertains to the parent who will be the borrower of the Parent PLUS loan. A natural or adoptive parent can borrow a PLUS loan on behalf of an undergraduate student. A step-parent may borrow a PLUS loan on behalf of an undergraduate student **ONLY** if his or her information was included on the FAFSA. An applicant borrowing a PLUS loan for the first time **must** complete an electronic Master Promissory Note (eMPN) and sign the eMPN with his or her uniquely assigned FAFSA PIN. **For further information regarding Federal Direct Parent Plus loans, please refer to our website at [Information About Federal Parent PLUS Loan](#)** To apply for the Parent PLUS loan, please complete the form below and return it to:

Parent Authorizations

Your Direct PLUS Loan will be applied to the student's school account to pay for tuition, fees and on-campus room and board, and, if you provide authorization below, other educationally-related charges. Any loan amount that remains after these charges have been paid is called a credit balance. You may choose to have the school pay the credit balance directly to you or to the student.

If there is a credit balance after your Direct PLUS Loan has been applied to the student's account, to whom do you want the school to pay the credit balance? Me (Parent) Student

By checking the box below, you may authorize UNCSA to use your Direct PLUS Loan to satisfy other educationally-related charges that the student incurred at UNCSA. Examples of other charges that may be paid with your authorization include, but are not limited to, mandatory health insurance, graduation fees, library fines and charges for minor damage to school property.

Authorization to Pay Other Charges

I authorize UNCSA to use any PLUS Loan fund credit balance to pay current educationally-related charges that my student's account may incur, such as, but not limited to, mandatory health insurance, graduation fees, library replacement charges, residence hall charges, etc.

To cancel the Authorization to Pay Other Charges, you must submit that request in writing to the Office of Student Financial Aid. If you cancel either of the authorizations, the student is responsible for paying all charges incurred.

Your signature below confirms that you are not in default on a prior federal education loan and authorizes UNCSA to perform a mandatory credit check required for the Parent PLUS loan.
