General Announcements

- Hello again to our returning students, and welcome to our incoming grads! We know things are different this year, but if we are supportive and responsible, the creative energy and this unique community of students will continue to thrive.
- A little about GSC and what we do:
GSC was created a few years ago to help bring students together and to advocate for the graduate student body. We host events, have weekly public meetings, and work closely with other student or faculty leaders on campus.
- The GSC Board is made up of 6 students. Learn a little more about the team!
<https://www.uncsa.edu/mysa/current-students/graduate/student-council.aspx>
- If you have anything school or department specific that you'd like to discuss with us, contact your school rep. Or, attend one of our weekly public meetings. Meetings are on **Mondays from 7:30-8:30pm**. For now meetings will be hosted on Zoom; you can join by using the link below.
Password is: UNCSAGSC

- Attend 3 meetings and you win a free GSC t-shirt!
Keep an eye on our Instagram to win more free prizes.
- Continue to page 2 for more information about how we're doing events.

Upcoming Events

- Socializing and networking is a crucial part of the grad school experience; that's why we're going to be extra creative with how we do activities and socials. All events will follow State regulations and CDC guidelines to help mitigate the risk to yourself and others. We will have a mix of small in-person opportunities as well as online options.

- Have ideas for events and activities? Contact us and share your thoughts!

- Student Affairs now has a virtual hub where you can find events or activities to attend, follow the link below:
