## **SPECIAL ACKNOWLEDGMENTS**

The University of North Carolina School of the Arts would like to acknowledge the physicians at Wake Forest Baptist Medical Center, and Wake Forest Family & Community Medicine for the generous, long-standing medical support our students receive during dance performances. We would also like to thank the UNCSCA Performing Arts Medicine Team for keeping our dancers healthy and dancing throughout each year

## **THE SCHOOL OF DANCE**

As one of the world's premier dance schools, the School of Dance offers a rigorous yet nurturing approach to developing talented young performers into technically sound, artistically sensitive, and stylistically versatile professional dancers. A world-class, resident faculty is complemented by visiting guest artists, choreographers, and company residencies that bring current trends from the field. Students concentrate in either classical ballet or contemporary dance, but train and perform in both. Numerous performance opportunities allow students to explore a diverse repertory.

## **THE SCHOOL OF DESIGN & PRODUCTION**

Unlike other schools that incorporate design and production within theatre studies programs, the School of Design and Production is a highly regarded, independent conservatory. The school is ranked #3 in the nation. Employing a resident faculty of experienced professionals, the school offers a comprehensive curriculum in every aspect of modern stagecraft, from scene design to stage management. Students gain practical experience working on a variety of productions inside theaters of all styles and sizes, and within 100,000 square feet of production space. Graduates have careers in theater, film, television, dance, opera, live and themed entertainment, and more.

## DEAN'S COUNCILS FOR UNCSA

The Dean's Councils support each of UNCSA's five arts schools - Dance, Design & Production, Drama, Filmmaking, and Music. Dean's Council members support the school of their choosing with an annual gift of \$5,000 or more, work closely with the Dean to advance that school's mission and fundraising priorities, and enjoy a deeper relationship with the Dean and students of the school. If you are interested in joining one of these groups of committed individuals, please contact Associate Vice Chancellor for Advancement Rich Whittington at 336-770-1372 or [whittingtonr@uncsa.edu](mailto:whittingtonr@uncsa.edu).

# UNCSA MANIFESTO

## We Believe

**Artists** enrich our culture, enlighten our society, lift our spirits, and feed our souls.

Integrative **arts education** from an early age sparks a lifetime of creative thinking, powerful self-expression, and innovative problem solving.

Rigorous **artistic training** empowers our students and graduates to engage our communities, advance local and global creative industries, and inspire the world.

**Arts organizations** improve the quality of life and place in big cities and small communities, transforming them from merely livable to truly lovable.

**UNC School of the Arts** nurtures the talent, hones the craft, and develops the unique voices of emerging artists. We realize the full potential of exceptionally creative and passionate students to do their best work and become their best selves.

## LAND ACKNOWLEDGMENT

It is important for many of us, as settle-descended persons, to consider how the land we occupy continues to interrupt the cultural, linguistic, historical and political connections that indigenous peoples have to this land. We must continue to recognize how we have, wittingly and unwittingly, remained as actors in the colonization of what we regard as our original context of teaching and learning. UNCSA is on the ancestral land of the Tuleto, Sappony, Catawba and Keyauwee tribes.

A land acknowledgment gives honor to and recognizes indigenous territories and indigenous people respective to the location(s) we currently work and live. A land acknowledgment serves as a reminder that the land you currently occupy has long been occupied by indigenous peoples who have a distinct linguistic, cultural and historical connection to the land.
