International Baccalaureate Diploma Candidates:

The Division of Liberal Arts grants either three or six semester hours of college credit for higher level subjects with a final mark of 5 or higher that meet the academic degree requirements for the particular arts school; we grant three semester hours of college credit for standard level subjects with a final mark of 5 or higher, again for those subjects that meet academic degree requirements.

To receive credit, UNCSA requires a copy of the International Baccalaureate Certificate, signed by the guidance counselor or registrar of the school from which you graduated. Contact your guidance counselor for assistance.

Information for Undergraduate Transfer Applicants
Division of Liberal Arts only

The UNCSA Division of Liberal Arts accepts transfer credit in the liberal arts and sciences from accredited colleges and community colleges in the U.S. and, in certain cases, from abroad. The course content must correspond to UNCSA Division of Liberal Arts requirements and the student must earn a minimum grade of “C.”

* UNCSA recognizes the Joint Transfer Articulation Agreement with the North Carolina Community Colleges; however, the student must still complete all UNCSA graduation requirements for the Bachelor of Fine Arts or Bachelor of Music degree.

* We do not accept remedial courses; business courses; many computer courses; arts courses; or other professional courses of any kind for Liberal Arts credit.

* Regardless of the number of transfer credits awarded, all students must take at least one course in residence in Liberal Arts at UNCSA.

* Currently enrolled students cannot transfer in college credits if their Liberal Arts GPA is below a 2.0.

* Currently enrolled students who wish to fulfill their Liberal Arts requirements with courses from another college must submit a Transfer Request Form to the Assistant Dean before enrolling at another institution.

Use the course descriptions from the UNCSA Bulletin http://www.uncsa.edu/vprovost/bulletin2015.htm as general guidelines and match them as closely as possible to a course description of the college you have attended or are currently attending. Please bring your former college Bulletin or copies of course descriptions with you upon enrollment, as this will greatly facilitate our process. All preliminary responses via phone, fax, and e-mail are unofficial until you are registered and we have all final transcripts.

Advanced Standing for Undergraduate Students through Placement Tests

Undergraduate students may qualify for advanced standing or credit through placement tests. A student who participated in the Advanced Placement® (AP) Program of the College Board may have his/her record considered for advanced standing or credit or both in the college program when a score of three (3) or above has been achieved on an Advanced Placement exam.

College Level Examination Program® (CLEP) test scores in areas that correspond to courses in the UNCSA curriculum also may be presented for evaluation for possible credit. Credit for CLEP tests is available only to students with freshman or sophomore standing and is considered inappropriate for more advanced students. UNCSA will only consider credit for such tests that have been completed prior to the beginning of the junior year.

International Baccalaureate® Diploma students may have their records considered for advanced standing or credit in the college program with a minimum score of five (5) or higher on the official IB exam for each subject. Credit awarded will vary for higher-level or standard-level subjects.

Cambridge International Certificate® AS Level, A Level, or AICE Level examinations at scores of C or higher will be awarded course credit. UNCSA recognizes Cambridge qualifications for admission, as well as awards credit and advanced standing placement.
